My first experience with culinary education was as much fun as I had hoped it would be. I especially liked the way you answered all our odd questions. You are so artistic and knowledgeable—you have an easy presence where someone like myself doesn't become intimidated or self-conscious while learning. I look forward to more great classes!

— Tina Wood

GIFT CERTIFICATES from Le Chat Gourmet are a great way to "give the gift of cooking" for holidays, birthdays, showers, weddings, anniversaries, new home or "just because"!

We had lots of fun at our Team Building Class. For me, the class served its purpose. I learned some interesting things about different people in my group. Giving us things to do together and individually was brilliant. The class was set up and run perfectly!
